Dear Graeme
Dinneywicks Inn The Chipping Kingswood Gloucestershire GL12 8RT

I am disappointed not to have received an acknowledgment or a response to my letter of the 14th November 2017.

The community is very concerned about future of the Dinneywicks Inn and would like to know what the plans are for the future as they very much want it to remain as a pub. To assist with this Kingswood Parish Council met on Monday 20th November 2017 and took the decision to register the Dinneywicks Inn as an Asset of Community Value with Stroud District Council.

As stated in my earlier letter the parish council would welcome a discussion and are happy to meet with you. The parish council has arranged a public meeting on Monday 11th December at 6.45pm at Kingswood Village Hall. The purpose of the meeting is to inform the community of the situation with the Dinneywicks Inn, to discuss the registration of the Dinneywicks as an Asset of Community Value and what that actually means, and to discuss what if anything can be done to save the pub. The parish council would like to invite a representative of Wadworth to attend this meeting and address the community. We very much hope that someone will be able to attend or at the very least that we have some information from Wadworth to share with the community.

I look forward to hearing from you and hopefully meeting with you to discuss the future of the Dinneywicks Inn.

Yours sincerely

Mary Leonard
