

2018 KINGSWOOD NEIGHBOURHOOD WATCH

Perhaps the `Dad`s Army` of crime prevention, Kingswood`s Neighbourhood Watch keeps the village in touch with the current crime scene in the area. There is the usual petty, and sometimes not so petty, thieving. We can expect more of this in the next 18 months because the big building site at `Kingswood Fields` will be a magnet, after which thieves will come probing our domestic defences.

Fraud is now much more prevalent and ever changing in its guile. Regular warnings go out about this. Petty scams never stop, though we are delighted to say an attempt on a 92 year old resident ended in the perpetrator coming off very much 2nd best.

A date for your diaries: The much loved Garden Party at Chipping House will return this year on Friday Aug 10. Tickets will be on sale from July. We look forward to seeing you.
