

2018 KINGSWOOD SPORTS AND RECREATION FUND

KS&RF was started about 15 years ago to give the village a registered charity, which could give a financial advantage to any village group raising funds, which was not itself a registered charity. The Memorial Fingerpost on The Chipping is a case in point, where thousands of pounds were saved. If anybody would like to know more please feel free to contact its Chair, Rod Alexander at rodplume@gmail.com.
