

## 2018 KINGSWOOD VILLAGE CRICKET CLUB.

40 years old, KVCC is still thriving in a world, where, sadly some cricket clubs have gone under. In 2018 it has a full fixture card. It will host three touring sides and itself go on a three match tour of Devon. Most of games are Sunday friendlies but KVCC takes part in the competitive Wed evening 20/20 Pratt Cup against nearby villages. In the spirit of cricket it will host a new competitor, Wickwar, currently without a ground. To protect the new properties on the northern boundary nets will be raised for each game. The club believes that they may not be high enough but lives in hope.

As ever, the club enjoys its social side. Its teas are among the best and the legendary Hog Roast (Sat July 28 ) will be one of the village`s much awaited summer events. KVCC always welcomes new members, young, old, male, female, skilled and unskilled. If interested, come and see us play, however badly, or contact our Team Secretary, Stevie Barnes, at [sabsmb@tiscali.co.uk](mailto:sabsmb@tiscali.co.uk). or Chair, Rod Alexander at [rodplume@gmail.com](mailto:rodplume@gmail.com).

Finally, it would like to offer a warm welcome to the new tenants of `The Dinneywicks`, Aggie and Guiseppe. The pub is very much the `twelve man` of the club.
